

BSA 100th Anniversary

National Hall of Leadership Induction Ceremony

National Mall – Washington, D.C.
Sunday, July 25, 2010

BOY SCOUTS OF AMERICA ★ 100 YEARS OF SCOUTING

CELEBRATING THE ADVENTURE ★ CONTINUING THE JOURNEY

A few words about the

BSA 100th Anniversary National Hall of Leadership:

The National Hall of Leadership is a one-time opportunity to honor, recognize, and thank Scouts, leaders, and any living person who has served as a Scouting volunteer from across the country for the extraordinary difference they have made in the lives of others through their leadership. All councils were invited to promote and submit nominations for selection of one inductee to the National Hall of Leadership. Each inductee is representative of all the nominations received by his or her council. Nominations to the National Hall of Leadership were submitted online in the form of a story about the nominee, written in 450 words or less. The National Hall of Leadership is one of a number of programs designed to invite people across the country to join in and celebrate the Boy Scouts of America's first century of service to America's youth.
