 Camp property

Instructions for Completing This Form

Each row must be completed. Std#, Description, and Pg# refer to the standard or recommended practice. Check NA if the standard or recommended practice is not applicable to the camp. C (Compliant) represents full compliance with the standard, authorization term or commitment, variance, or waiver. Dv (Deviation) represents substantial but not full compliance with the standard, authorization term or commitment, variance, or waiver.

Failing Scores. NC (Non-compliant): A standard, authorization term or commitment, variance, or waiver is scored NC if the facility does not meet the requirement or deviation. NA (Not applicable): A standard is scored NA if it does not apply to the camp property or program and does not affect accreditation status. The CAT must indicate a number in the “#” column and provide a factual summary of how the camp is not fully meeting the standard on the attached sheet(s). CAT = Camp Assessment Team

Program Narrative and Assessment Recommendations

CAT leader will provide written recommendations for the camp director and council. The written recommendations should address (1) specific recommendations for improving the quality of the existing programs and activities, (2) specific recommendations for improving the quality of facilities provided, and (3) recommendations for improved program design or additional programs or activities that would enhance the camp program.

Continuous Camp Improvement Plan

Is the camp following their Continuous Camp Improvement Plan?

Yes

No

How are they doing on their Plan? Are they on Track?
