NEWS RELEASE

IOIPay® EARNS TOP HONORS AMONG ONLINE PAYROLL SERVICES

(Elkhart, IN) September 12, 2013 –Interlogic Outsourcing, Inc. (IOI®) and its online payroll product IOIPay® have been recognized by TopTenREVIEWS as the #3 provider of online payroll services ahead of the large national payroll companies with which IOI competes.

TopTenREVIEWS conducted a thorough examination of IOIPay® and its features and functionality in order to review and score different areas of the product. Overall, IOIPay® scored 8.15/10 with the summary comment: “Whether your company is large or small, IOIPay®’s online payroll service is equipped to handle your payroll processing. Additionally, IOIPay® also comes with a handful of other services with its online payroll, including employee access, reporting, tax services and more. Its myriad features and complete payroll and tax service earn it our TopTenREVIEWS Bronze Award.”

“We are very proud to have earned the Bronze Award from TopTenREVIEWS,” said Najeeb A. Khan, president of IOI®. “In particular, our Support Quality Score of 100/100 gives credence to our business model, which is built around customer service, common sense, and doing things the right way – *right now*. Thanks to our dedicated staff, we have achieved this.”

Particularly noteworthy scores for IOIPay® included:

- Support Quality Score: 100/100
- Software Integration: 10/10
- Features: 9.4/10
