#### Panamerican Jamboree 2009

We will be coordinating a national contingent to the 13th Panamerican Scout Jamboree in December 2009, in Toluca, capital city of the state of Mexico. Bari Saunders, member of the International Committee, has agreed to serve as the BSA's contingent leader. Please visit the event Web site at [www.jampan.org.mx](http://www.jampan.org.mx) to find the price of the event. Additionally, the Scout Association of Mexico hopes to announce the cost of the equipment package at the end of May. Contingent members will need to purchase this equipment package and add this amount to the event cost. If you are interested in attending, please contact Esther Scoggins at [esther.scoggins@scouting.org](mailto:esther.scoggins@scouting.org).

#### Direct Service

Congratulations to Eagle Scout Stephen Scott of Troop 442 in Perth, Australia, who has received appointments to both the U.S. Air Force and Naval Academies. To gain the appointments, Stephen had to appear before Congressman Lamar Smith's Military Academy Selection Committee. The committee was most interested in Stephen's Eagle Scout service project that consisted of building a basketball court in a small village near Lagos, Nigeria. After the court was completed, he taught local villagers how to play the game. Stephen believes that his Scouting experiences and leadership training set him apart from the other candidates.
