There are many ways to recruit boys and adults into the Scouting program. In your role as the Fall Roundup Chair for your unit there are four key events that are essential to your success.

1. A sit down parent roundup event, which is by far the best way to recruit new youth members and adult volunteers into your unit.
2. A promotional booth at a parent teacher night or other event where you can encourage families to attend your roundup event.
3. A “Boy Talk” at the local school, church or youth center where you get face to face with kids to explain the program and let them know why they should join.
4. A Bring-A-Buddy event where your current members deliver invitations to non-members inviting them to one of your unit events.

In the enclosed guide we highlight each of the four steps and some of the best methods for handling each part of your Fall Roundup. Experience has shown that being creative in running each of the steps can give a huge boost in our fall recruitment and retention. Experience has also shown that changing or omitting one of these steps results in a less effective fall recruitment. So stay the course and have a great Fall Roundup!

FEES AND FLYERS

Below are some details you need to keep in mind to make your Fall Roundup efforts run as smooth as possible and help you hit your goals.

RECOMMENDED PRACTICE

**FEES**

The council recommends collecting $25/youth at your roundup event. For new youth that you register, please send the youth application, $5 for their registration fee, and if desired, an additional $4 for Boys’ Life to the council office. Keep the additional $16 of the original $25 for your unit’s charter fees due in December.

- Units should make 1 check payable to Seneca Waterways Council for all members they are registering.
- Please make sure that the applicant signs the adult application and the chartered organization representative and the committee chair approve the application by signing it. On the youth application, please make sure that both the Unit Leader and the parent sign the form.
- Check all applications for completeness.

**FLYERS**

To ensure flyers are ready when you need them, please order them through your District Executive at least 14 days in advance of the distribution date.

*Information Needed for Flyers:*

- Date, time, and location of roundup event.
- Who should attend (example: All boys in grades 1-5).
- Who to contact for more information (include phone number and email).
- Registration Fee: $25.
- Which schools and which grades do you want flyers for? Do they all get the same flyer?
- How many flyers are needed?
BOY TALKS/SCHOOL VISITS

PREPARATION

In coordination with the District Executive and the membership team, ask the principal, or organization leader, for a brief meeting of all boys of Tiger Cub and Cub Scout ages either by going from classroom to classroom (preferred) or in a special assembly (rally) to be held during normal hours of operation 2-3 days before roundup event.

**Purpose of meeting:** To excite and enthuse boys to come to roundup event and to inform them of what to bring.

PRESENTATION FORMAT

Any of these presentation formats can be successful. Use the one that is most convenient for the school or organization:

- Classroom-to-Classroom visits
- All-boy assembly
- Small-group presentations
- Lunch time
- Recess

BOY TALK TIPS

- Physically—be sure your hair is combed, you have a neat appearance and are in uniform.
- Be sure to bring the necessary materials—flyers, stickers, props, posters.
- Ask the teacher to give a recruiting sticker or flyer to every boy.
- Be exciting—make them remember you and want to tell their parents.
- Tell the boys that their parents are their admission ticket to the roundup event. Tell the boys to send their parents if they can’t come.
- Check to see if posters are up – over water fountain, bulletin boards, cafeteria, door to boys restroom.
- Remind current Scouts to wear their uniforms to school the day of the roundup event.
- Leave extra flyers with teachers/principals and ask them to announce roundup event again on day of the event.
- Carry the phone number of the Girl Scout office with you in case a girl asks for it.
- Thank the teacher for their time! A Scout is courteous.
AGENDA FOR BOY TALK

• Be sure to stop at the office to sign in and tell them who you are when you first arrive.

INTRODUCE YOURSELF

• Ask the organization leader to introduce you as someone who has something important to say.
• Ask if anyone knows what type of uniform you are wearing.
• Tell them you are indeed a Scout leader and that you are there to talk to them about becoming a Scout.

DEMONSTRATE THAT SCOUTING IS FUN

• Ask if anyone is currently enrolled in Scouting and then have him tell the group what he enjoys.
• Ask them if anyone knows the kind of things that Scouts do and call for hands. Examples include: earn badges, go camping, shoot BB guns, tell stories around campfires, play sports, learn about computers, etc.

SHARE INFORMATION ON THE ROUNDPUP EVENT

• Ask the boys, “Who would like to be a Scout?”
• Tell them how to join: “If you want to be a Scout and do all these fun things, there’s going to be a “special” event on ______________ at ______________. An adult will need to come with you. Take this flyer home, and ask ‘Mom, Dad, may I please be a Scout? A Scout leader who visited our group today told us all about it, and I want to be a Scout.”

ASK THE GROUP LEADER TO DISTRIBUTE INFORMATION FLYERS TO THE BOYS

SUMMARIZE

• Finish with an enthusiastic statement about the fun Scout events scheduled for the next few months. Remind the boys again of the date, time, and place for the roundup event, and what they should bring.

THANK THE LEADER AND LEAVE EXTRA FLYERS

PITFALLS TO AVOID

• Don’t do a Boy Talk more than a couple of days before the roundup event and make sure there is not a weekend between the Boy Talk and the roundup event.
• Don’t sell things you can’t deliver (i.e. Cub Scouts going to Philmont).
• Don’t be predictable. Be exciting and keep it interesting - make them remember you and want to join Scouting.
• Don’t forget to remember the attention span of the age group you are speaking with (be brief).
• Don’t forget to distribute your handouts.

YOUR UNIT’S ROUNDCUP EVENT

What to do if...

**You run out of applications.** Have the Den Leader complete a “Den Membership Roster.” Inform parents that applications will be filled out at the unit’s next meeting.

**The school is locked.** If you don’t know where to go or who to call to get a key, hold the meeting in the parking lot or at any nearby facility.

**Your sign-up night partner (Unit Coordinator) doesn’t show up.** Follow the plan in this guide and recruit other adult leaders to help you. Go ahead with the roundup event. If you don’t have all of the materials, be sure to get everyone’s name, address, etc. Scramble...be flexible!

**A boy shows up without a parent or adult.** Let him know that he will need to have his parent/guardian attend the next meeting to fill out the application. Send the application home with him and tell him to bring it and his fees to his first meeting.

**The parents don’t have any money with them.** Have them fill out an application and ask the Cubmaster to keep it. Tell the parents to bring his fees to his first meeting.

BRING-A-BUDDY EVENTS

Bring-A-Buddy events work well as a follow-up program for packs after the initial roundup event. Ask each member of your unit to invite a guest to your next meeting. Offer incentives for current Scouts who recruit another member to your unit (i.e. the recruiter patch or special gifts). It is very important to make the event exciting.

**Examples of potential Bring-A-Buddy events include:**

**FISHING DERBY**

Scouts and potential Scouts and their families are invited to attend this activity and bring a fishing pole to learn the fundamentals of fishing, have fun, enjoy fellowship, meet new friends, and eat lots of good food!

**FIELD SPORTS**

Try Olympic style events with activities that will challenge the competitive spirit and physical fitness. Some of the activities should include Olympic events such as track and field, archery, shooting sports, water sports, and team games. The winners will be presented medals during the awards ceremonies at the end of the event.

**TREASURE HUNT**

All kids love treasure hunts. Now they have a fancy name: geocaching! With parent volunteers, GPS systems and a bit of web research, there are lots of great spots to geocache. You can even hide your own “treasure” in advance. The search involves tromping through parks, sometimes over mud and streams! Of course, you can do it the old fashioned way too, with treasure maps (coffee-stained with a few holes burned in to look aged). Rip the map into pieces so participants have to find all the pieces (provide clues) to put together the jigsaw puzzle map, and then go find the treasure.

For additional information on conducting the Bring-A-Buddy Events listed above (and many more) go to: [www.scouting.org/scoutsource/Membership/Youth_Recruitment/Events.aspx](http://www.scouting.org/scoutsource/Membership/Youth_Recruitment/Events.aspx)
BRING-A-BUDDY CARDS

To help entice potential new Scouts to join your unit, give your current Scouts Bring-A-Buddy Cards to hand out to their closest friends. Bring-A-Buddy Cards are available to you from the Council office and are downloadable on the Council website. Include pack meeting date, time, place, and leadership contact information. Print upcoming activities on the reverse side.

- Design and print your own “business cards” for parents and Cub Scouts to distribute to friends and other families. The cards also work well as a “takeaway” at school, church, and community functions.
- Create a special version of the card to pass out with candy on Halloween or Valentine’s Day.
- Create an invitation to a “Pack Party” distributed by Scouts to their classmates inviting them to a special event.

ADDITIONAL PROMOTIONAL IDEAS

Promoting your unit and the Scouting program is essential to our future. The following is a list of promotional ideas that can help you be more effective in getting your message to boys and families in your community. (Be sure to include in all your promotional materials an invitation to your roundup event, including date, time, place, a brief exciting description of pack activities, and include contact information for your unit leader).

- Make lists or cards with the first names and phone numbers of boys in the area. Have pack leaders call the night before the roundup event to ask parents if they got the invitations and remind them of the meeting.
- Place yard signs in strategic high visibility locations.
- Post flyers and posters on bulletin boards throughout your area in key locations (schools, churches, community centers, grocery stores, malls, public libraries, pediatrician offices, etc.).
- Half-sheet bulletin inserts are great tools for delivering recruiting information through chartered organization mailings, church bulletins, community recreation centers, and as sporting event announcements.
- Ask schools to put joining information in student electronic mailboxes and on school Web sites. Automated messages can be programmed for boys in each grade.
- Use marquees in front of businesses and clubs to invite boys and their families to join.
- Promote the roundup event with all chartered organizations in your community (churches, schools, service clubs, and youth organizations).
- Set up a mock campsite in a high traffic area for boys and parents to show them that Cub Scouts go camping.
- Set up a pinewood derby track at a high-traffic area for boys and parents and run “mock” races.
ALTERNATIVE RECRUITING VENUES

Today’s youth have a myriad of programs and activities available to them from a variety of organizations throughout the community. Research shows that it takes 7-11 impressions before people take action. This research coupled with the decline in school access makes it essential that all Scouting units recruit and promote their programs through a number of different venues including:

- Church Youth Groups
- Sporting Events/Leagues
- Church Coffee Hours & Bulletins
- School Open Houses/Events/Book Fairs
- Summer/Winter Youth Program Flyers
- Recreation Centers
- Parades/Fairs/Festivals
- Library Displays
- Pizza Box Flyers
- Book Stores - Craft Store

BECOME AN ADVocate FOR SCOUTING!

As a parent of a Cub Scout, you clearly understand the fun, excitement, and learning opportunities that Scouting provides for your son.

Why not share those same experiences and opportunities with all of the boys in your son’s grade?

You can do just that by becoming a Parent Advocate for Scouting!

Primary role of Parent Advocates:
- Sign your son up for Cub Scouts (you already did that)!
- Serve as your Pack’s representative for all boys in your son’s grade/class.
- Actively encourage other families to join your Pack.
- Personally invite families to get involved in Scouting and come to a meeting with you.

To become a Parent Advocate today, talk to your Cubmaster or contact your District Executive at 585-244-4210.

ADOPT-A-SCHOOL PROGRAM

The Boy Scouts of America has launched the Adopt-A-School program, a new and exciting venture to help build relationships with schools and to foster community outreach. Your unit should log onto www.bsaadoptaschool.org to register for this new adventure.

Units adopt a school and throughout the year, with permission from the school, complete four (4) service projects that benefit the school and strengthen your unit’s relationship with the school. These hours will also count towards your Journey To Excellence service hours while building and strengthening school relationships.
USING SOCIAL MEDIA AS A RECRUITMENT TOOL

Today’s generation of youth and their families are increasingly using Social Media and other forms of electronic communications as their primary means of interacting with their friends and family. These electronic resources can also provide Scouting with additional tools in our on-going recruiting efforts. What better way to get non-Scouts and their families excited about the Scouting program then by having their friends invite them to join Scouting through the primary way they already communicate? What follows is a list of Social Media Resources and Electronic Communication Strategies that Units can use to engage their own members and their families in a recruiting effort – let’s call it the New Age Bring-A-Buddy Program!

Social Media Resources Your Unit Should Consider Using:

Unit Website – set up a website specific to your local unit that highlights all of the fun activities and events that your Scouts participate in. Post an updated schedule of events and pictures of your Scouts in action (be sure you have parental permission before posting pictures). Include details on when and where your unit meets, how to join, and who to contact for additional information. Don’t forget to link to the Council website at www.senecawaterways.org.

BeAScout.org – this National BSA website allows interested parties to search for Scouting Units in their geographic area. Make sure your unit information is up to date on the website by contacting your District Executive for details on how to log onto the site.

Unit Facebook Page – set up a Unit Facebook page that highlights all of the fun activities and events that your Scouts are involved in. Post an updated schedule of events and pictures of your Scouts in action (be sure you have parental permission). Include details on when and where your unit meets, how to join, and who to contact for additional information. Encourage your Scouts and their families to “Like” your Unit’s Facebook page and to “Share” it with their friends. Link you page to the Council’s Facebook page at: https://www.facebook.com/SenecaWaterwaysCouncilBSA, and the “LIKE,” “SHARE,” and “POST” highlights of your Scouting activities.

Twitter – encourage your Scouts (with parental permission) and the parents of your Scouts to Tweet their friends about the exciting things your unit has planned. Better yet, invite them to join your unit at one of the upcoming fun events. While your Scouts are at events have them tweet out the cool things that they are doing with a message to their friends to join them at future activities.

Text Messaging – encourage your Scouts (with parental permission) and your Scouting family members to text their friends and non-Scouting families a personal invitation to join your unit. Focus on special activities, roundup events, or just a fun activity. Share the message with as many people as possible!

E-mail Blasts – ask your Unit leaders and Scouting families to send out a personal invitation to everyone in their e-mail address book about your Scouting unit. Invite them to visit your Unit Website and Facebook page, and more importantly to come see your unit in action at an upcoming event. Contact your District Executive for stock e-blasts that are available to be customized for your unit.

YouTube – post video(s) of your unit participating in cool events and activities to YouTube and then have your Scouts and their families share this information with all of their friends and family by copying the URL to an E-mail, Twitter or Facebook message. Nothing is better than showing off the cool things your Scouts are doing and then getting their friends to join them in the future. Be sure to get the permission of all people in the videos before posting.

Warning About the Use of Social Media

Please note that while Social Media and electronic communications are great resources there are some safety precautions that must be taken to ensure they are not used inappropriately and do not put our youth and adult members at risk. The Seneca Waterways Council does not encourage any minor to utilize Social Media without the direct knowledge and oversight of their parent or guardian. Additionally, any messages sent out by youth promoting the Scouting program, an individual unit, or trying to encourage their friends to join Scouting should be reviewed by a member of the unit’s leadership to be sure the messages, photos and language are Scouting appropriate. Finally, units should use their own discretion and follow their local unit policy concerning the use of electronic devices during their activities.
