Scouting's Journey to Excellence

2014 Team Performance Recognition Program

Journey to Excellence changes the basic way we measure and recognize success in the Boy Scouts of America by moving away from measuring process and moving to measuring performance. The following provides specific information to help you understand the criteria and exactly what data will be used to determine the three levels of performance. In planning your strategy, use actual numbers from the previous year to guide your performance improvement goal planning. In each area, the team may qualify by meeting a specific standard or by showing measured improvement.

1	Total Varsity Scouts earning awards (Varsity Letter and Denali) and Scout rank advancement (Tenderfoot, Second Class, First Class, Star, Life, Eagle) since your last charter renewal date (A), divided by the number of boys you started your charter renewal year with (B1) plus all new boys who joined or transferred into the team at any time during the current year (B2). $Advancement = A / (B1 + B2)$.
2	Number of youth members on this year's charter renewal (C), divided by the number of youth members on last year's charter renewal (D), plus any additional youth members (E), minus any transfer-outs or age-outs (F). $Total = (C) / (D+E-F)$.
3	At charter renewal time, have an increase in the number of youth members over the number of youth members on the previous year's charter renewal. A membership growth plan template can be found at www.scouting.org/membership .
4	Have a VC, an AVC, and a team committee with at least three members. VC and AVC (paid or multiple registration) have completed leader-specific training or, if new, will complete within three months of joining. Two-thirds of active committee members have completed Troop Committee Challenge. For Gold, one leader must have completed Wood Badge at some point in their Scouting tenure.
5	Conduct regular activities in the five fields of emphasis.
6	Number of Varsity Scouts who attend any in-council or out-of-council high-adventure activity (of at least five nights), high-adventure experience, or jamboree, or serve on camp staff within the past year, divided by the Varsity Scout membership on June 30, 2014.
7	The team is separated into squads and each squad has an elected squad leader. There is an elected team captain if the team has more than one squad. The TLC meets at least four times each year. The team holds leadership training each year.
8	The team participates in at least four service activities during the year and enters them on the Journey to Excellence website. The activities may be completed as joint activities with other organizations. At least one activity must benefit the chartered organization.
9	The team has a written budget that is reviewed at all team committee meetings, and the team follows BSA policies relating to fundraising and fiscal management as found on the Unit Money-Earning Application form, the team treasurer's book, and any other publication that the council has developed for fundraising and fiscal management.
10	The team holds at least two courts of honor where Varsity Scouts are recognized for Varsity awards or rank advancements.
11	The team meetings have activities that include a physical fitness component. This is ongoing and members can track their performance. The team is introduced to the SCOUTstrong PALA award by going to www.scouting.org/SCOUTstrongPALA .
12	Complete the team's charter renewal paperwork, including all required signatures, and submit completed forms to the council service center or your commissioner before the end of the charter year. Invite a commissioner and your chartered organization representative to at least one of your meetings.

Scoring the team's performance: To determine the team's performance level, you will use the above information to determine the points earned for each of the 13 individual criteria and then add those individual point scores to determine a composite score. Count only the highest point total achieved in any one criterion. Bronze level requires earning points in at least 10 criteria plus 700 points, Silver level requires earning points in at least 10 criteria and 1,000 points, and Gold level requires earning points in at least 10 criteria and 1,600 points.
