Dear Mr. Ratcliffe:

The Board of Directors of the National Association of Hispanic Publications is pleased to commend the Scoutreach Division of the Boy Scouts of America for its contributions in serving Hispanic youth from throughout the U.S. We are very pleased with the leadership of the Boy Scouts in providing guidance to our youth who desperately need fundamental life skills, including respect for themselves and others, setting and achieving personal goals, and developing good moral and ethical decision-making skills.

We are pleased to support the Boy Scouts of America in the wake of your 90th anniversary in serving young people. The core family values your programs have offered all these years will provide an excellent foundation to ensure that today's youth will be responsible leaders tomorrow.

Our best wishes to you in your continued service to our youth from all walks of life.

Sincerely,

Andres Tobar
Executive Director/CEO
