

“ Going to the NYLT Leadership Academy, I had in my mind this idea that I was simply re-taking the original NYLT course but that was not the case. I found myself surrounded by other staff and staph who had experience in communication and leadership with ideas I've never even heard of. Both the staff and staph genuinely wanted to be there and not only did they want to learn for their own growth but wanted others to grow just as much if not more. The level of dedication and encouragement at Leadership Academy was the best thing I'd experienced in my leadership career. NYLT Leadership Academy allowed me to grow as a leader as well as a person in ways that's not possible through any other program.

- Ruth Clark, Longhouse Council
2014 NYLT Leadership Academy Alumni

Accelerate Your Leadership

ACCELERATE YOUR NYLT LEADERSHIP!

The NYLT Leadership Academy is the premier train-the-trainer course for youth staff of your council NYLT. It trains your NYLT youth staff to be world-class presenters and leaders of their council's course. In it's 11th year, the Leadership Academy is the new generation of the National Junior Leader Instructor Course (NJLIC) previously offered at Philmont. The NYLT Leadership Academy is being held in Washington, DC, St. Louis, Missouri, and Long Beach, California. The program is open to all councils nationwide.

Participants in the Academy will be treated like the staffers that they are. Each will make five presentations to their patrol, be evaluated on those experiences while evaluating their fellow patrol members. This happens in a special place of mutual respect and learning. The Academy is not just an in-camp experience. One day is spent hiking to many of the historical places in Long Beach/ Los Angeles, St. Louis or Washington, DC area. The Academy is definitely a life-changing experience for its participants.

REASONS TO ATTEND

The results of sending NYLT youth staff to this course have been:

- Better council NYLT courses.
- More Councils holding more NYLT courses.
- More Scouts participating in NYLT. An even more far-reaching result has been an increase in Boy Scout membership retention, due to better youth leadership at the unit level.

"The most significant enhancements I have noticed with our Academy Graduates is their increased confidence, creativity, and their reinvigorated enthusiasm in spreading servant leadership. They all exude an increased presence and demonstrate an ever-evolving mastery of understanding and delivering the NYLT objective; which is obviously due to the training, practice, feedback, and leadership they received from the NYLT Leadership Academy."

– Jim Payne – Tidewater Council, Spring 2015 Course Director
