RELIGIOUS EMBLEMS

To encourage members to grow stronger in their faith, religious groups have developed the following religious emblems programs. The Boy Scouts of America has approved of these programs and allows the emblems to be worn on the official uniform.

Most religious emblems for Cub Scouts consist of a bar pin and pendant. Most religious emblems for Boy Scouts, Varsity Scouts, Sea Scouts, and Venturers consist of a bar pin, ribbon, and pendant.

The medal is worn pinned immediately above the seam of the left shirt pocket of the uniform. The square knot, silver on purple, No. 5007, may be worn above the left pocket by a youth member or an adult member who earned the knot as a youth.

The square knot, purple on silver, No. 5014, may be worn above the left pocket by adult members presented with the recognition. Adults may wear both knots if they satisfy qualifying criteria. When a square knot is worn, the medal is not worn.

Generally, only one knot is worn, but any combination of miniature devices may be worn on the same knot: Cub Scout, No. 604950; Webelos Scout, No. 932; Boy Scout, No. 927; Varsity Scout, No. 928; Venturer, No. 930; Sea Scout, No. 931.

Additional information on religious emblems is available from the BSA (www.scouting.org/awards/religiousawards) and P.R.A.Y (www.praypub.org).

**FLAGS**

This section contains information about unit and special flags. For U.S. flag interpretation, consult *Your Flag*, No. 33188, Boy Scouts of America. U.S. flag protocol states that the direction of our uniform flag is proper.

The hand-to-forehead salute is correct for flag ceremonies for any person wearing a uniform of the Boy Scouts of America. This includes those wearing the blue blazer dress uniform. The hand-over-heart salute should be used when not in uniform.

**Special Flag Decorations**

**Memorial gold stars.** Gold stars, No. 11117, may be affixed to the unit flag indicating current and former members of the unit who died in the service of their country. The stars should be placed along the staff edge of the flag, parallel to the staff, with the bottom star 6 inches from the staff edge and 6 inches from the bottom edge; subsequent stars to be placed proportionately on that line, up to the place assigned to the veteran insignia.

**Veteran insignia.** Veteran insignia, is affixed to unit and local council flags midway between the top and bottom of the flag and midway between the pole and the flag emblem. Available in five-year year increments up to 100 years through the Supply Group. Must be requested when unit flag is ordered.

**Fringes, cords, and tassels.** Fringes, Nos. 11035 and 11036, and cords and tassels, No. 11037, may be used on local council, district, and unit flags (but not den or patrol flags) if desired by the persons or committee purchasing them.

**Special Flags**

**Drum and bugle corps.** Local councils having a drum and bugle corps made up of youth from different units may put the lettering “Drum and Bugle Corps” in a line at the bottom of their council flag. A unit drum and bugle corps may carry its unit flag but without special designation.

**Boy Scouts of America flag.** Purple flag with silver emblem.

**Regional flag.** Purple flag with silver emblem and lettering. Name of state may be added if desired.

**Local council flag.** Dark blue flag with gold emblem and lettering. Name of council on the upper half, headquarters city and state on the lower half.

**District flag.** Dark blue flag with gold emblem and lettering, No. 618649. Name or number of district on upper half, name of local council on lower half. Headquarters city and/or state optional.

**Council camp flag.** Dark blue flag with gold emblem and lettering indicating name of camp and council, No. 618649.

**National Youth Leader Training flag.** First line: National Youth Leader Training. Second line: (special name of course, if desired). Third line: (council name) No. 618635.

**Lettering unit flags.** The standard format that must be followed does not permit variations in the location of the lettering on the flag.

**Top half of flag:**
- Type of unit (pack, troop, team, crew, or ship)
- Unit number (such as No. 10 or just the numeral 10)
- Chartered organization (if desired)
Lower half of flag:

- State (usually abbreviated)
- Council (if desired)
