# **VENTURING**

**2009 NATIONAL TRAINING  
PHILMONT SCOUT RANCH**

## **KODIAK MOUNTAIN TREK**

**Attention crew Advisors and Scouting volunteers:**  
While Venturing courses are held at Philmont Training Center the week of July 26 through August 1, 2009, a special mountain trek/Kodiak training for Venturing youth and older Boy Scouts will be offered as well.

If you are a crew Advisor or a district/council volunteer, you can attend a Venturing course of your choosing, and your Venturing family member and a guest can participate in the special mountain trek that includes Kodiak training, an advanced leadership training course for Venturers.

Space is limited. Register your family early so your Venturer can be included in this unique program. July 26–August 1, 2009
