

\$30 Physicals Available at Take Care ClinicsSM

If your Scout should need a medical evaluation to participate in an upcoming BSA event, Take Care Clinics are here to help.

Through September 30, 2009, Take Care Clinics are offering camp and sports physicals for only \$30. Board-certified family nurse practitioners and, in select markets, physician assistants are available seven days a week, and weeknights, too.

Take Care Clinics also offer vaccinations like tetanus, diphtheria, and MMR (measles, mumps, rubella). Verification of these vaccinations is strongly recommended before participation in activities conducted by the Boy Scouts of America.

No appointments are necessary, and most insurance is accepted.* Take Care Clinics are located at select Walgreens. [Click here](#) to find a location near you.
