

Boy Scouts of America SCOUTING U WESTLAKE CAMPUS

August 18-20, 2017 College of Commissioner Science Dean's Retreat

The Third Annual College of Commissioner Science Deans' Retreat will be held at the Scouting University Westlake Campus. This conference is hosted by the Commissioner Training Team. The facility is located 10 miles from the DFW Airport in Westlake, TX, and it is the same facility where professional Scouters attend their training classes and are commissioned.

During our weekend retreat we will share best practices from Colleges of Commissioner Science across the nation and have a number of guest speakers. We plan to tour the National Scouting Museum, the BSA National Headquarters, and other local attractions in the Dallas/Fort Worth area. If you are the dean of a Commissioner College, this conference is for you! You don't want to miss it. We also encourage associate deans, doctorate deans, and degree deans to attend the conference.
