# Scouting's Journey to Excellence

## 2013 Pack Performance Recognition Program

Journey to Excellence changes the basic way we measure and recognize success in the Boy Scouts of America by moving away from measuring process and moving to measuring performance. Below provides specific information to help you understand the criteria and exactly what data will be used to determine the three levels of performance. In planning your strategy, use actual numbers from the previous year to guide your performance improvement goal planning. In each area, the pack may qualify by meeting a specific standard or by showing measured improvement.

1	Total number of Cub Scouts advancing at least one rank (Bobcat, Tiger, Wolf, Bear, Webelos, Arrow of Light) since your last charter renewal date (A), divided by the number of boys you started your charter renewal year with (B1) plus all new boys who joined or transferred into the pack at any time during the current year (B2). $Advancement = A / (B1 + B2)$ .
2	Number of youth members on this year's recharter (C) divided by the number of youth members on last year's recharter (D) plus any additional youth members (E) minus any transfer outs or age outs (F). $Total = (C) / (D+E-F)$ .
3	At charter renewal time, have an increase in the number of youth members over the number of youth members on the previous year's charter renewal.
4	The pack has activities in the outdoors, which could include outdoor pack meetings, hikes, family campouts, parades, outdoor service projects, etc.
5	Have a pack committee with all dens having registered leaders. The Cubmaster and Den leaders (paid or multiple registration) have completed leader specific training or, if new, complete within three months of joining. 2/3 of active committee members have completed leader specific training.
6	Cub Scouts attend an in-council or out-of-council Cub Scout day camp, family camp, and/or Cub Scout resident camp in 2013. All levels are total number of different Cub Scouts attending (G) divided by total number of Cub Scouts registered in the pack as of 6/30/2013 (H). $Total = G / H$ .
7	The pack participates in at least two service projects during the year and enters them on the Journey to Excellence website. The projects may be completed as joint projects with other organizations. At least one project must benefit the chartered organization.
8	The pack recruits or confirms the next year's leadership, including CM, DLs, and WLs, by 5/31/2013. The pack holds its fall recruitment event by 9/30/2013.
9	Hold at least two joint activities with a troop or troops, one of which is a new parent orientation and camp promotion meeting, and have graduating boys register with a troop. If pack has no Webelos Scouts, this requirement is met at the Bronze level.
10	The pack has a written budget that is reviewed at all pack committee meetings, and the pack follows BSA policies relating to fundraising and fiscal management as found on the Unit Money-Earning Application form, the pack treasurer's book, and any other publication that the council has developed for fundraising and fiscal management.
11	Have at least nine pack meetings within the past 12 months, with one of those meetings being to review the pack's program plans and asking for parental involvement in the pack. Den meetings start by October 31, 2013 and all dens meet at least twice each month during the program year. Pack committee meets at least 6 times a year. Pack earns the Summertime Pack Award.
12	The pack and den meetings have activities that include a physical fitness component. This is ongoing and members can track their performance. The pack is introduced to the SCOUTStrong PALA award by going to <a href="http://www.scouting.org/SCOUTStrongPALA">www.scouting.org/SCOUTStrongPALA</a> .
13	Complete the pack's charter renewal paperwork, including all required signatures, and submit completed forms to the council service center or your commissioner before the end of the charter year. Provide all email addresses for parents and registered adults on charter renewal forms and promote the new "Unit Tools" software accessed through your MyScouting account.

**Scoring the pack's performance:** To determine the pack's performance level, you will use the above information to determine the points earned for each of the 13 individual criteria and then add those individual point scores to determine a composite score. Count only the highest point total achieved in any one criterion. Bronze level requires earning points in at least 10 criteria plus 700 points, Silver level requires earning points in at least 10 criteria and 1,000 points, and Gold level requires earning points in at least 10 criteria and 1,600 points.
