

CONSERVATION PROJECT PLANNING CHECKLIST

Scouting leaders and agency personnel can use the following checklist to assist them in planning conservation projects.

- What is the task to be done?

- Why is it important?

- How many Cub Scouts, Scouts, or Venturers can take part in the work?

- What is the time frame for completing the project?

- What tools and materials will be needed, if any, and who will provide them?

- What leadership skills are required to oversee the work?

- Who will provide project leadership? (List youth and adult Scouting leaders and any agency personnel.)

- How will youth reach the work area?

- What safety factors are involved and how will they be addressed?
