

## **What is an Impact Session?**

Impact Sessions are a Philmont Training Center-style conference condensed into a weekend experience. National faculty are brought in to help you learn in a collaborative, hands-on session.

## **Who's Invited?**

District or Council Membership Team Volunteer, District Professional, New Unit Commissioner, District Commissioner, and any other Scout volunteer or professional involved in forming new units.

## **You will:**

- Gain insights into how membership committees, commissioners, and professionals work together to form new units and grow existing units.
- Recognize key elements of unit operation and a new volunteer culture.
- Identify, access, and use resources for starting and growing successful units.
- Discover the ways unit New Member Coordinators and increased options for more youth to join Scouting can help families feel welcome.
- Learn about available tools that help commissioners support unit leaders in developing plans to better serve more youth through Scouting.

## **Please join National Commissioner Ellie Morrison and Impact Session faculty, including:**

- Larry Chase – National Commissioner Service Team Chair
- Sue Simmons – National Commissioner Service Team Starting, Growing and Sustaining Units Chair
- John Cherry – National Commissioner Service Team Development Chair
- Mark Griffin – Scout Executive, Great Salt Lake Council
- Janet Griffin – National Family Scouting Advisory Panel
- Linda Baker – Chair of the New Member Coordinator Task Force
- Gary Carroll – Western Region Membership Growth Team Lead

This faculty represents all of the areas you need to have a successful campaign to start, sustain and grow new units.
