

Blue and Gold Discussion Questions

Roundtable Leader: *At the end of the video, there are a few discussion questions for the Roundtable leader to pose to the group.*

Take some time and discuss these questions with the group. Are there some questions you can add?

1. Does your Pack have what you consider a great Blue and Gold Banquet? If so, share what makes it so special.
2. What specific things do you do right to make your Blue and Gold successful?
3. What is the greatest challenge with your Blue and Gold? Have others experienced/ overcome the same challenges?
4. What plans do you have for your next Blue and Gold Banquet?
