**What is the Journey to Excellence for Council Venturing?**
Scouting's Journey to Excellence (JTE) is the BSA's planning, performance, and recognition program designed to encourage and reward the success of our units, districts and councils. It is designed to measure a council's Venturing program through analyzing various aspects of their growth in categories such as membership, trainings, events, and awards.

**Why does the JTECV form need to be filled out?**
Filling out this form will provide clarity of the strength of your council's Venturing program and in the future can serve as a framework for goal setting and program planning. This tool also helps the National VOA pinpoint exactly where additional support and tangible resources are needed to build stronger council Venturing programs nationwide.

**Should I complete JTECV even if my council doesn’t have a Venturing presence?**
Yes! The only way for us to know that your council doesn't have a Venturing presence is to complete this form. Then, we can provide support to Venturing in your council.

**What if the Venturing program does not receive bronze, silver, or gold? Does the form still need to be submitted?**
Yes! Even if your council's Venturing program does not achieve an award level, it still allows us to measure your growth as a council, and lets us know how we can help you more in the future!

**What information do I need to fill out the JTECV?**
Please see our other document, Pre-Completion Checklist for JTECV!

**What happens after the form is filled out?**
Once completed, you will receive an emailed receipt of your responses. This data is then analyzed by VOA officers and used to create resources specifically catering to your council’s needs. It will also be used to measure your council’s Venturing program growth and help us support your council’s Venturing program in the future.

**Where can I find the current JTECV form?**
The current JTE form can be found on Scouting.org on the Council Venturing Journey to Excellence page.

**Who should be filling out the JTECV form?**
Who submits the form will vary from council-to-council. However, the council Scout executive, council Venturing staff Advisor, Council Venturing Officers' Association Advisor, Council Venturing Officers' Association President, or a designated council Venturing youth or adult representative are permitted to fill out the JTECV.
