

National Camp
Accreditation Program

Declaration of Readiness

Long-term Camps

Submitted to Area Assessment Team Leader no later than May 15

(Required to meet standard AO-802.C)

Council Name: _____ Council No.: _____ Registration Code: _____

Camp name: _____ Camp type: _____
(One form for each type of camp)

We declare that we have completed the following steps to operate a safe, high-quality camp for youth.

- The council has obtained any necessary governmental permits or approvals to operate the camp and its facilities, or such permits or approvals have been requested and receipt is expected prior to the opening of camp.
- The council has addressed instances of noncompliance or deviation from the prior year's camp assessment.
- As a part of the council's sustainability commitment, the council is progressing in accordance with its plan.
- The council has completed the required postcamp/precamp inspection, and the Scout Executive certifies that the council has addressed any identified issues that would preclude the opening or operation of this camp in compliance with the national camp standards.
- The council has attached all items for this Declaration of Readiness submission as specified on page 2 of this document.

The camp named above will be ready to open and operate in compliance with the National Camp Standards and its Authorization to Operate. Any exceptions are attached and do not, in our opinion, present a risk to health and safety of staff, participants, or visitors and will not detract materially from the quality of the Scouting program that we present.

An exceptions page IS IS NOT attached.

Declaration of Readiness Attachments

The following **must be attached** to support camp assessment readiness.

- A copy of the prior year's NCAP Standards Assessment Score Sheet, the Management Letter, and a written description of any action taken to correct noncompliant or deviations indicated.
- Materials required by the Authorization to Operate. Copies of any variances or waivers or equivalency determination .
- Continuous Camp Improvement Program assessment against prior year's goals and the results achieved, and current year goals. (AO-810)

Councils are to submit the following information at this time to facilitate a more effective onsite camp visit. Any documentation not available at this time should be submitted as soon as it becomes available. Material submitted with this Declaration of Readiness will be reviewed by the assigned Area Camp Assessment Team Leader and will not have to be rechecked during the on-site assessment.

Please check materials submitted with this Declaration of Readiness.
