Instructions for Completing This Form

Each row must be completed: Std# and Description refer to the standard or recommended practice. **Scoring:** Check NA if the item is not applicable to the camp. C (Compliant) represents full compliance with the standard, authorization term or commitment, variance, or waiver. Dv (Deviation) represents substantial but not full compliance. UNC (Upgraded from Non-Compliant) represents a non-compliant condition that camp fully corrects while the team is on site. NC (Non-compliant): A standard, authorization term or commitment, variance, or waiver that does not meet the requirement. The Assessment Team must indicate the standard number and provide a brief summary of how the camp is not fully meeting the standard using the continuation page 4 of the score sheet.

Standards SA-001 through SA-006 are required standards and are part of the authorization process and do not need to be checked during the assessment.
