

TRAVELERS CAN EXPERIENCE THE OUTDOORS IN NEW WAYS AT FLORIDA SEA BASE'S FAMILY ADVENTURE CAMP

BIG PINE KEY, FLORIDA – Florida Sea Base has been an adventurer's tropical paradise since its founding in 1980. And now, in 2021, Florida Sea Base is offering the public a new way to enjoy its beautiful scenery and epic activities with BSA Family Adventure Camp.

BSA Family Adventure Camp is a one-of-a-kind outdoor vacation for friends, families, and groups of all kinds. The best part? Campers get to choose their location, accommodations, and activities! BSA Family Adventure Camp is hosted at three of BSA's High-Adventure Bases: The Summit Bechtel Reserve in West Virginia, Philmont Scout Ranch in New Mexico and, of course, Florida Sea Base in the Florida Keys.

Each base offers its own unique blend of fun activities and scenic views. Florida Sea Base's shorefront location makes it incredibly unique – and very popular with visitors year-round. While at Florida Sea Base, adventurers can soak in the scenery in all sorts of ways. For example, during the day, campers can discover the flora and fauna of the keys while exploring tidepools, wading in the water, stargazing and more. At nearby Bahia Honda State Park families can snorkel, swim, sail and more!

Families and friend groups can also enjoy the area's natural beauty from the porch of their luxury deluxe tent. This accommodation style offers oceanfront camping in comfort with beds, electricity, and air conditioning provided. It's truly a spectacular camping site!

Florida Sea Base hosts more than 16,000 people every year. It's recognized as a NOAA Blue Star provider, 100% Project Aware Member, Florida DEP Clean and Sustainable Marina, and REEF Environmental Education Field Station. The Sea Base offers world-class experiential programs for Scouts and campers alike.
