# INNOVATIONS COMMITTEE PROPOSAL SUBMISSION

---

This form is to be used to submit new ideas and approaches for programs and processes that will lead to greater efficiency and growth within the BSA. Our goal is to explore innovative ideas that will connect with today's youth and families, including program elements deemed important to keep our programs relevant and accessible.

## Review Process

---

Upon receipt of this form, a committee of volunteers will review the proposal and determine if it sufficiently meets the criteria of greater efficiency and growth. You might be contacted for additional information. Ideas received will be consolidated for further review and evaluation. The Innovations Committee is made up of a diverse group of volunteers from around the country.

Along with your submission and any additional information gathered, your proposal will be shared with other BSA committees, as appropriate.

The Innovations Committee is charged with reviewing all proposals in a timely basis. This group will determine whether the proposal will be recommended for approval, deferred, combined with other proposal(s), or denied.

## Proposal Considerations

---

As we strive to reinforce that the programs of the BSA are the best opportunities for today's families, all ideas will be considered. Once submitted, your idea becomes the property of the BSA. You will receive a response confirming receipt of your proposal. We will also reach out to you should we require additional information.

## Submission Method

---

Your proposal must be submitted either by email or regular mail to the addresses below.
