

Shooting Sports Application

Year of application _____

Note: Application must be submitted annually.

_____ Council intends to operate the following programs as written in the program guides and per the guidelines indicated in the applicable NCAP standards.

Guides can be found at: <https://www.scouting.org/outdoor-programs/shooting-sports/>

_____ Scouting Pistol Safety and Marksmanship Program

_____ Chalk Ball Program

_____ Cowboy Action Program

_____ Sporting Arrows Program

Before beginning these programs, a program hazard analysis must be conducted for the range and this program as outlined in National Camp Accreditation Program standard PD-111 (<https://www.scouting.org/outdoor-programs/camp-accreditation/>) The enterprise risk management committee for the council must review the analysis as per standard PD-112. The program hazard analysis instructions and template can be found at www.scouting.org/filestore/pdf/680-009.pdf. Per standard PS-214, standard operating procedures must be in place for each type of range.

We have read the program requirements for the above programs we will follow the program requirements as outlined in each specific program guide.
