

ATV LOANER PROGRAM INTEREST FORM

The BSA has approved the use of single rider ATV's for ages 14 and older. Councils can request approval to conduct an ATV program through Regional Operations. The BSA'S ATV program follows the official Rider Safety Course curriculum, which was developed by the industry safety experts at the ATV Safety Institute, (ASI).

A Council interested in adding an ATV program to their camp operations should first understand and agree to:

1. Secure Board approval to offer an ATV Program.
2. Provide a rider training course and equipment that is at least 150' X 200', made up of dirt/light gravel and has proper drainage from rain water.
3. Provide all the necessary safety equipment for use by all participants and instructors.
4. Provide a secure storage area for at least 8 (eight) ATV's and all safety equipment. This area must be covered from inclement weather.
5. Provide an ATV cleaning station with hose, water and power washer near the course and a storage area.
6. Provide at least one Instructors, 21 years of age or older, who is licensed (and in good standing) with ASI as Rider Safety Course Instructors and hire at least one Range Assistant, which can be 16 years of age or older and have successfully completed (and demonstrated a high skill level) the Rider Safety Course.

If the Council can meet the basic list above and would like to be considered for participation in the BSA's ATV loaner program, complete the section below. All Councils will be required to sign a separate contract for loaner ATV's which they will typically have for a 3-summer session duration. Councils are expected to run the Rider Safety Program each summer but are encouraged to offer an off-season daily or weekend options.
