

National Camp Accreditation Program

Leave Behind Scoresheet – Do NOT Send to the National Office

Camp name: _____

Council name: _____

Date: _____

Territory/Zone: _____

Team leader: _____

Intent to Operate Registration Number: _____

Instructions for Completing This Form

Each row must be completed: Std# and Description refer to the standard or recommended practice. **Scoring:** Check NA if the item is not applicable to the camp. C (Compliant) represents full compliance with the standard, authorization term or commitment, variance, or waiver. Dv (Deviation) represents substantial but not full compliance. UNC (Upgraded from Non-Compliant) represents a non-compliant condition that camp fully corrects while the team is on site. NC (Non-compliant): A standard, authorization term or commitment, variance, or waiver that does not meet the requirement. The Assessment Team must indicate the standard number and provide a brief summary of how the camp is not fully meeting the standard using the continuation page 4 of the score sheet.

Program Narrative and Assessment Recommendations

Team leader will provide written recommendations for the camp director and council. The written recommendations should address (1) specific recommendations for improving the quality of the existing programs and activities, (2) specific recommendations for improving the quality of facilities provided, and (3) recommendations for improved program design or additional programs or activities that would enhance the camp program.

Continuous Camp Improvement Plan

Is the camp following their Continuous Camp Improvement Plan? YES NO

How are they doing on their plan? List some of the achievements that they have accomplished.

What were some of the highlights of the camp that you were able to observe?
