

Boy Scouts of America and ACCT Membership

The Boy Scouts of America understands that without its volunteers, the organization would not be where it is today. Here at the Association for Challenge Course Technology, we share the same view. In both our organizations, our volunteers represent the backbone, the muscle, and the heart in all that we do. ACCT would like to reach out to the BSA volunteers and show our support to you as we work together to make our organizations stronger for the future.

For every BSA volunteer, ACCT would like to offer a discounted membership of \$60.00 USD starting June 1, 2023. Volunteer memberships will be set up under the BSA National Council. This membership will provide you with the same member benefits as an individual member. You will have access to a digital copy of the current standards. If these standards should change, you will receive the new digital standards straight to your online profile. You will also be able to utilize various discounts as well such as discounts on registration fees for the annual ACCT conference and job postings on the ACCT website. It's time that the camp side of the industry is heard. You will be helping ACCT be the voice for the camps, the councils, and the volunteers.

To qualify for this membership, you will need to be a volunteer and provide your BSA member number at the time of registration. Camps and Local Councils will continue to be categorized under Business to Client (B2C) Non-Profit on a case-by-case basis as we realize that not all camps or councils involve paid employees to operate.

We want to thank those of you who are already members, as this special discount applies to you as well. Upon renewal, if their ACCT membership is not already a "BSA Volunteer member," volunteers will be able to reclassify their membership and receive this discount.

ACCT will continue to advocate for all camps in our industry. Thank you for everything you do, not only in support for the Boy Scouts of America but also in the contribution you have to our industry.

To set up your membership please contact ACCT Office Manager, John Voegtlin at John@ACCTinfo.org or call the office at 303-827-2432.
