Dear NCS Participant,

We are excited to welcome you to the John D. Tickle National Training and Leadership Center at The Summit Bechtel Reserve in West Virginia for National Camping School. Our course is scheduled for September 16-22, 2023.

You could not have picked a better location to attend your National Camping School (NCS) experience in the heart of the Appalachian Mountains. With the combined force of our distinguished staff and exceptional facilities, we strive to make your stay at SBR a time to remember.

National Camping School and hosts will continue to practice any locally required COVID-19 communicable disease mitigation strategies. These precautions are important, but these efforts cannot eliminate the potential for exposure to COVID-19 or any other illness while at camp. Information from the Centers for Disease Control and Prevention (CDC) states that older adults and people of any age who have serious underlying medical conditions are at higher risk for severe illness from COVID-19. If you are in this group, please ensure you have approval from your health care provider prior to attending National Camping School. Please find SBR most recent covid updates on our website: www.summitbsa.org/covid-19/

Below we strive to answer any questions you may have before you arrive on site. To learn more about The Summit and all our fun and exciting programs, please be sure to check out our website (www.summitbsa.org). If you have any remaining concerns or questions about our facilities or NCS at the Summit, please contact the SBR Liaison for NCS at Braxton.Rhodes@scouting.org.

Here at The Summit, we aim to meet and exceed your expectations with sights to see, friends to make, things to learn, and adventures all around. We look forward to showing you what we’re all about and welcoming you to The Summit family.

See you soon!

Arrival, Registration, and Departure

**Early Arrival**
Students are welcome to arrive a day early from their normally set program time. An early arrival fee will apply to this. Early arrivals will only include the dinner of that day and the breakfast of the next day. The dining hall closes at 6pm. We highly recommend eating off property if you are a late arrival. please proceed to the Pigott Administration Building for tent assignment and meal instructions. Directions will be available on the door of the Ruby Welcome Center.

**Onsite Registration**
Registration is from 9:00 a.m. to 11:00 a.m. on Saturday, September 16, and will take place at the **Pigott Dining Hall**. You will first arrive at our North Gate, where you will be directed to the dining hall. The course begins at Noon. Please plan to arrive no later than 11:00 a.m. on the first day of school so that you can complete the registration process.

Housing
Living arrangements are similar to many council Summer camps. Each participant will be housed in dormitory rooms. Linens, blankets, and pillow are provided. You will spend much of your time outdoors and should be prepared for various types of inclement weather. Showers are available in the dormitory buildings so please bring toiletries. SBR has an outstanding Wi-Fi service courtesy of AT&T. However, your experience will be enhanced if you limit distractions and put away cell phones, etc. during your training and activities.

Food and Dining
Breakfast, lunch, and dinner are provided by SBR and included every day starting with lunch on your arrival day and concluding with breakfast on your departure day. SBR has the capability to meet certain medical or religious dietary needs. Please contact Braxton Rhodes (Braxton.Rhodes@scouting.org) at least two weeks in advance if you have a medical or religious dietary need to discuss. Please note that while SBR attempts to provide food that addresses the most common issues (nut allergies, etc.), we cannot address all dietary restrictions. If we are unable to meet your needs, you will need to bring food with you that meets your needs.

Uniform
The complete Boy Scouts of America or Venturing field uniform is required at all National Camping Schools. The BSA Field Uniform (Scout shorts or long trousers, Scout shirts, Venturing shirts, Scout socks) or the BSA Activity Uniform (Scout shorts or pants with Scouting golf or t-shirts) will be worn at camping school. Complete Field Uniforms are required for evening meals, worship services, campfires, and formal activities.

Family Adventure Camp
Bring your family with you during your time with us! Make this a memory not just for you, but for them too. We offer vacation experiences for everyone so that you can work and play at the same time! Discounts apply to NCS students. find out more with our website!

**Damages Or Tampering with Detection Systems/ Equipment:**
The Summit Bechtel Reserve holds the right to take actions towards any guest or visitor found to have tampered or interfered with any detection equipment in lodging and/or structures, including detector heads in public areas, break glass points and fire extinguishers. Guests or visitors found to have tampered with any fire detection or fire-fighting equipment will be charged with any costs incurred by the property and will be evicted from the site. Depending on the severity of the guest actions, law enforcement may become involved at the Summit’s discretion. Should the fact that firefighting or detection equipment had been tampered with come to light after the guest has departed, we reserve the right, and you hereby authorize us to charge your credit or debit according to our damage policies.

**Damages and/or Theft of Property**
You are liable for any damage howsoever caused (whether by the deliberate, negligent, or reckless act) to your lodgings or property caused by you or any person in your party whether or not staying at The Summit Bechtel Reserve. We reserve the right to retain your credit card and/or debit card details as presented on your reservation and charge or debit the credit/debit card such amounts as it shall in its sole discretion deem necessary to compensate or make good the cost or expenses incurred or suffered as a result of the aforesaid. Should this damage come to light after the guest has departed, we reserve the right and you hereby authorize us to charge your credit or debit card for any damage incurred to your lodging or property, including but not limited to property damage, missing or damaged items, smoking fee, cleaning fee, etc. We will make every effort to rectify any damage internally prior to contracting specialist to make the repairs, and therefore will make every effort to keep any costs that the guest would incur to a minimum.

**Damages and/or Removals to Lodging, Furnishings, Fixtures, Equipment, Linens, and Alike**
Damages or removals to lodgings, fixtures, furnishings, equipment, electronic equipment, towels, linens, blankets, and a like will incur a fee of 125% of full and new replacement value. Any damages to property, whether accidental or willful, is the responsibility of the registered guest for each lodging. Any costs associated with repairs and/or replacement will be charged to the credit card of the registered guest.
Lightning Advisory

- Lightning advisories are announced when lighting is detected within **12 miles** of The Summit.
- **All Aquatics and Aerial Sports activities are suspended**: All staff and participants exit the water or descend from their aerial sports activity and move to a safe location.
- **Consol Energy Bridge**: The wingtip walkways are CLOSED. The main wooden walkway is open.

Lightning Alert

- Lighting alerts are announced when lightning is detected within **8 miles** of The Summit.
- **All outdoor activities suspended**. All staff and participants must move to a safe location.
- The entire Consol Energy Bridge is closed under a lightning alert.

Wait until **ALL CLEAR** is announced before resuming activity.

Emergency Locations

We continually monitor the weather and will announce hazardous weather over our camp wide PA system. Please follow staff instructions in case of hazardous weather. If the severity of the storm warrants, SOC will coordinate movement of all personnel to more secure locations. Transportation services will be utilized in extended periods of severe weather. If an emergency weather alert is announced, please seek appropriate weather shelters.

- Any permanent structure with supported roofing
- Shower houses
- Emergency Procedure Shelters
- Note: Unless directed by staff, the main living area of Luxury Deluxe Tents satisfy weather shelters.
**Wildlife Hazards**

We respect and reduce the risk of animal encounters by making ourselves and our base less approachable to them. Contact the SOC if wildlife encroaches in your campsites or if they pose a threat to you or others. The following wildlife are dangerous and should **ALWAYS BE AVOIDED**. Reduce the risk of encounters by staying on designated trails and NEVER approach. Please take special attention to learn how to identify them.

---

**Snakes:** Unless completely known, treat all snakes as venomous. Avoid tall grassy areas and be careful lifting items that have stayed in place for a long time. If bitten, have victim lay prone, cool body, and rest quietly to reduce the spread of venom. Keep the bite area on the same level as the heart. If possible, attempt to identify the type of snake.

**Bears:** Upon encounter, attempt to leave area. Never get in between mothers and cubs. If the bear approaches, make loud noises and group up together waving your arms to scare the bear off. If the bear charges, it may be necessary to fight back to avoid serious injury. Running from a black bear will likely increase its instinct to attack you. All bear sightings that pose a threat are reported immediately to the Summit Operations Center and all personnel removed from the immediate area of the sighting.

**Spiders:** Most spider bites are not felt at the time the bite happens. If suspect a bite, immediately draw a circle around the swollen or red area. Seek medical attention. Try to identify spider. Continue to draw a circle around area every 30 minutes to track progression (if any)

**Rabies Carrying Animals:** Raccoons and other commonly observed small animals are known to carry rabies. Try to flee the area as rabies infected animals will likely not be deterred by fighting back. If bit, reduce heart rate as much as possible, cool yourself to prevent shock, seek medical attention immediately.
