

Recent Updates and Fixes for Internet Recharter 2.0

July 31, 2023

- Updated/Revised the Charter Renewal Status Report with descriptive 'Status' definitions for "Waiting", "On Hold", "Locked", and "Posted"
- Improved how multiples are validated
- Added "Generate Charter" button with IR app

May 31, 2023

- Create more descriptive timeline
- Add Council Unit Representative to selectable positions
- Add validation for existing members
- Fix bug with auto-post when multiples are present
- Provide different icons for IH/Executive Officer who don't need YPT

February 28, 2023

- Display country code for phone numbers on Validation and Pay page
- Added an additional check to ensure duplicate files are not uploaded for CBD and Adult applications
- When ACH fails, allowing unit to resubmit and select another method of payment

January 31, 2023

- Changed validation message for Webelos working on Arrow of Light
- Updated recharter confirmation email
- Removed incorrect year from recharter confirmation email
- Removed ability to multiple registered adult as Tiger or Lion Adult Partner
- Existing members of other units must add paper application to register

December 31, 2022

No Updates

November 30, 2022

- Added provision for Special Needs Youth who are beyond Program Age to pass recharter validation process
- New Recharter Posted Confirmation Image
- Fixed bug to remove invitee from recharter

October 31, 2022

- Remove requirement for Member ID to add new IH, Tiger Cub Adult, and Lion Adult Partner
- Hide "Pay at Council" for Transatlantic Council
- Change age validation when adding new member to include future recharter timespan
- When changing from a Tiger Parent or Lion Adult Partner into a registered adult position, require paper application
- Change Validation for Unit has less than 2 paid youths from Warning to Error
- Show link file that displays signed recharter paperwork on confirmation page
- When ACH payment confirmation fails, revert recharter status to Initiated vs. On Hold or Waiting
- Show prepaid youth and adults in recharter paperwork
- Add language to Update Member Information Modal to account for Participants
- Create page for unit treasurers to confirm microdeposits if they do not receive confirmation email from WePay
- Charge people with international address \$39.00 for Scout Life
- Explain how 2 linked units must pay online from the same bank account
- Change message for initiated manual recharterers
- Add a confirmation that shares what happens after recharter
- Add language to existing error message when social security number not on existing member record
- Provide ability for those completing recharter to renew members at the appropriate registration level in the upcoming charter term
- Add language to recharter educating the difference between Participant and Youth
- Update UI when users select ACH as their payment method to indicate what will happen

August 31, 2022

- YPT non-compliance now an Error for the unit
- Council Registrar enabled to view charter and assist unit in real-time
- Enabled printing of unit charter prior to submittal for review
- Updated features to both register and identify multiples
- Improved recharter validation (e.g., min # of leaders, too many leaders in a position, CBC, YPT)
- Improved payment process and clarification if more than one unit paying from same bank account
- Improved recharter support for Exploring Posts and Clubs
- Email approval will be sent to both Unit Key 3 and Key 3 Delegate
- Demo Tool for Commissioners (aka Sandbox)
- Unit Selector for those Charter Organizations that sponsor more than one unit, enabling easy access to each unit during the rechartering process
- Ability to sort by position to help validate appropriate positions are filled
- Separate section identified for pre-paid members (those who registered online and pre-paid)
- Summary statement of next steps following unit clicking charter submit button
- Micro-deposits confirmed via a website, not by email
- Institutional Head is now a position in the drop menu of available positions

August 1, 2022

- Improved validation to show more detailed errors
- Changed message for initiated manual charters

- Direct unit leader to application manager when there are pending applications before submitting recharter
- Added gender to roster report
- On the confirmation page at the end, we will be indicating who signed the recharter paperwork and when it was signed
- Units who did not have two primary youth in the unit will receive an error vs. a warning previously
- Units that have expired and are not rechartering will no longer be presented as units to be able to multiple into
- New fees are reflecting in recharter calculation
- Creating a page to submit microdeposit information to validate ACH payments, which will allow us to not rely on email from WePay that was periodically going to junk and spam email boxes
- Creating clearer instructions on documents requested for upload to avoid erroneous documents from being uploaded
- Removing “no extra fee” from UI and replacing “Local council processing fee may apply” to account for councils who add a fee for manual pay
- Adding instructions for ACH payers to help understand additional steps
- Marking prepaid youth and adults on recharter paperwork
- Adding language educating difference between participant and youth.
