**June Norcross Webster Scout Reservation**

231 Ashford Center Road  
Ashford, Connecticut 06278

Dear NCS Participant,

We are excited to welcome you to the **New England Campus** of the **National Camping School** located at the **June Norcross Webster Scout Reservation** in Ashford, Connecticut. Our course is scheduled for two Spring weekends. Full attendance at both weekends, unless a recertification student, is required to gain NCS credentials.

You could not have picked a better location to attend your National Camping School (NCS) experience in the heart of New England. Our goal is to prepare you to be a dynamic Camp Staff Leader at your local Council Camp this Summer. The teaching Faculty is composed of experienced Camp Pros from all over the BSA, and top-notch support services are provided by the **Connecticut Rivers Council**.

**Covid-19 and National Camping School** - Proper precautions are important, but these efforts cannot eliminate the potential for exposure to COVID-19 or any other illness while at camp. Information from the Centers for Disease Control and Prevention (CDC) states that older adults and people of any age with serious underlying medical conditions are at higher risk for severe illness from COVID-19. If you are in this group, please ensure you have approval from your healthcare provider before attending National Camping School. The bottom line is if you are sick, stay home.

We strive to answer any questions you may have before you arrive on-site. To learn more about the host camp J.N. Webster, and all of the fun and exciting programs, please check our website ([www.GoToWebster.org](http://www.GoToWebster.org)). If you have any remaining concerns or questions about our facilities or the NCS program, please email the Course Director at [pat.boyd@scouting.org](mailto:pat.boyd@scouting.org)

We aim to meet and exceed your expectations by providing opportunities to network among like-minded colleagues, friends to make, things to learn, and adventures all around. We look forward to spending time with you at National Camping School in 2024.

Yours in Scouting,

**Pat Boyd**

## **General Information**

### **Housing, Camp Living & Weather**

Each participant has housing options at JNW based on their comfort and experience level.

- **Option # 1** – *Standard BSA 9X9 Canvas Wall Tent with cots*
- **Option # 2** – *Military Style Bungalow with Bunk Beds (unheated)*
- **Option # 3** – *Bring your own tent*
- **Option # 4** – *Stay in a Hotel Off-Site (At your own expense)*

You will spend much of your time outdoors and should be prepared for various types of inclement weather. Typically, in late April-Early May, it is cool at night (the Upper 30s – Lower 40s) and warm during the day (50s-60s). Please plan accordingly. Aquatics will be using an indoor swimming pool but outdoor lake boating.

JNW has cell service and Wi-Fi. Internet connectivity can sometimes be difficult as we are in a rural area. However, your experience will be enhanced if you limit distractions and put away cell phones during your training and activities.

### **Uniform**

All National Camping Schools require the complete Boy Scouts of America or Venturing field uniform. The BSA Field Uniform (Scout shorts or long trousers, Scout shirts, Venturing shirts, Scout socks) or the BSA Activity Uniform (Scout shorts or pants with Scouting golf or t-shirts) will be worn at camping school. A complete Field Uniform is required for evening meals, worship services, campfires, and other formal activities.

### **Food and Dining**

Breakfast, lunch, and dinner are provided by JNW and are included every day, starting with lunch on your arrival day and concluding with lunch on your departure day. JNW can meet certain medical or religious dietary needs. If you have medical or religious dietary needs, please email [sean.fogle@scouting.org](mailto:sean.fogle@scouting.org) so that we can do our best to accommodate you. Please note that while CRC-JNW attempts to provide food that addresses the most common issues (nut allergies, etc.), we cannot address all dietary restrictions. If we cannot meet your needs, you will need to bring food with you that meets your needs. Let's Talk!

### **Trading Post for NCS items**

National Supply will **not** have a trading post at National Camping School this year. If you want to purchase National Camping School items, you can visit [www.ScoutShop.org](http://www.ScoutShop.org) and send the items directly to your home.

The Connecticut Rivers Council will have the Trading Post "Clam Shack" available during the course.
