

Roundtable Scouts BSA Breakout

Scouts BSA Roundtable Discussion

Joining Conferences

The primary focus of the joining conference is to get to know the Scout and learn what they hope to get from Scouting. The Scoutmaster can provide information about the troop and questions can be asked and answered about the Scout and the troop.

Discussion Questions:

1. What do you see as the benefits for a Scout in holding a joining conference?
2. What additional questions would you ask at a joining conference?
3. How do you think joining conferences could be beneficial for your unit?
