National 04/05/2023

In the next several weeks the look of My.Scouting will be changing. You have been asking for the menu to always display the menu and this change will accomplish that. Lion and Tiger Adult Partner Positions

National 02/17/2023

Effective this week, the Lion and Tiger (adult) Partner position will no longer appear on the unit roster. Moving forward when registering a Tiger or Lion, the Lion Partner and Adult Partner relationship is created after the parent/guardian information is entered and the registration has been posted. The Lion Partner/Adult Partner information will appear in the youth profile under the relationship tab. This information also is populated in Scoutbook for unit leaders to identify the Lion Partner or Adult Partner of a Lion or Tiger.
