Meeting Notes:

Troop 123 did the opening - very creative and well-received. Two new unit leaders. Pack breakout covered Blue & Gold Ideas. Troop breakout was led by Troop 567. They weren't as well prepared as other unit presentations have been. Troop 987 volunteered to handle next month. People hung around following the meeting during snack time. Nice to see.

Comments:

Meeting attendance was lower than usual. We need to set up a district and maybe council-wide discussion to see how attendance can be improved for future meetings.

Group Discussion

- How many <u>use</u> these Tools?
    - If not, why not?
- What <u>new features</u> did you learn about today?
- <u>Share your experience</u> using these Tools?
- What <u>benefits</u> do you find when using these Tools?
- How can the <u>planning features</u> be more beneficial?
- <u>How do these Tools help</u> you as a RT commissioner?
    - Why or Why Not?

How Technology Can Benefit <u>RT</u> Commissioners

- Identify units <u>not</u> attending
    - Are they units with low health scores or no unit commissioner?

- Identify leader-level attendance
    - Are there opportunities to improve?

- If attendance is low, opportunity for follow-up action
    - Potential council-wide or district RT planning workshop

- Manage RT planning
    - Use Tools for notetaking

- Manage meeting follow-up needs

- Use information to improve unit service

How Technology Can Benefit <u>Admin</u> Commissioners

- Is Attendance meeting expectations?
  - Can we understand why and how to improve?
- If attendance is low, what follow-up is necessary?
- Are the RT planning Tools being used?
- Does planning look sufficient?
- Are there "Teachable Moments" that can help?
- How can unit service be improved?

How Technology Can Benefit <u>Unit</u> Commissioner?

- Which units are <u>not</u> attending?

- Are "my" units not attending and why?

- How many leaders from "my" units are attending?

- How can I encourage my units to attend each month?

- What feedback can I give to the RT commissioner to help?

- How can unit service be improved?

Breakout Exercise

During the Breakout:

- First self-select a leader to keep notes and help guide discussion

- Focus of this breakout will be on how to improve these RT Tools

  - Spend half the time each on each of these two questions:

    - What new/different features would help to enable better RT planning and unit service?

    - What would drive increased usage of these RT Tools?

- The leader will take 2-3 minutes to summarize their group discussions for entire group

- Send notes to John Cherry: **jcherry628@aol.com** following Impact Session

Breakout Questions

- What new/different features would you like to see made available for better/more useful RT service/planning?

- What would drive increased usage of these RT Tools?

Call To Action

- How will you share today's knowledge to promote increased usage of RT Tools to improve Unit Service?
