GET TO KNOW THE
MESSENGERS OF PEACE PROGRAM

The Messengers of Peace program (MoP) encourages Scouts to contribute to the construction of a culture of peace through community service actions, in collaboration with community members and an international network of scouts and supports the SDGs.

Scouts then tell the story of their experience to others in order to inspire them to take action in their communities. When they share what they are doing as scouts to create a culture a peace, they join a global network of scouts also creating positive change.

Projects inspired by MoP contribute to Sustainable Development Goals.
