

# Using Council Membership Tools

---

## ***Roundtable Commissioners Assistant Roundtable Commissioners***

---

Roundtable Commissioners (RCs) help with communication, sharing information, discussing concerns, supporting units, and encouraging leaders. These efforts are vital for keeping members and helping units grow. RCs help existing units provide strong programs and keep their youth and adult members.

RCs also support new units by giving volunteers the information, training, and support they need. RCs should check for new units each month and invite new unit leaders to roundtables and other district events.

*See the Membership Reports => New Units by Month tab.*
