

# Welcome to the Council Duty to God Award Recognition Packet.

Congratulations on selecting your council's recipients for this year. Recognition items include a medal to be ordered through national supply, and the certificate found in this packet. It is highly suggested that this award be presented at an event such as the Silver Beaver Recognition event, or an event with an equivalent status.

To order the medal:

- **INSERT DETAILS**

To print the certificate:

- There are two certificate options.
  - Page 2 contains the certificate for councils with a Council Religious Relationships Chair.
  - Page 3 contains the certificate for councils without this committee and replaces the signature block with the Council Advancement Chair.
- There are two fillable fields on the certificate. Please put the recipient's name and the date of the recognition event into the certificate before printing.
- We suggest clicking file save as and choosing just the one page you need printed. That way you can send the file with the fields filled out to your print shop, etc. to be printed in color. We have created the file as an 8.5" x 11" and left .5" margins in case you would like to frame the certificate before presenting it to the recipient.
